

## Route Leeuwarden

Leeuwarden can be reached from the south via the A32 / N31, from the east via the A7 / N31 and coming from the west via the A31 / N31.

Yacht Charter Leeuwarden is located in the southeastern portion of Leeuwarden in the residential "Zuiderburen". This is also signposted.

If you turn from the Drachsterweg, you will see on your right a Hema and a supermarket. At the roundabout go straight ahead (Foudering), follow the road and at the next roundabout turn right over the bridge and take the first street left.

On the left side there you see the Watersportcentrum Leeuwarden with Sailcharter Friesland, Watersport Twee Provinciën and Yachtcharter Leeuwarden.
